Dear friends,

Welcome to 2019. If you are new or visiting or a regular it is my prayer that God's blessing be upon you in the year ahead. As we worship together and learn from God's Word may the service today encourage and recharge you.

In 2018 we have much to be thankful for as God has worked in us and amongst us. There are new faces around the church for which we are profoundly grateful. We have also seen people enter into a new relationship with Jesus and others grow in their faith. We have also faced times of pain and tragedy as people have been ill, some have recovered or been sustained. We thank God for answered prayer. We have also said farewell to a few members of our church as they have gone to be with their Lord. Let our hearts be full of thankfulness to our faithful God.

In the year just begun there are many opportunities to look forward to. During 2019 we want to promote the Growth Groups. We pray that we will see new groups formed and others invigorated.

So as we enter 2019 may God continue his work in you and may the blessing of the Father, the Son and the Holy Spirit be with you today and each day.

## St Peter’s on Facebook

A Facebook page has been set up for St Peter’s which will have information similar to the St Peter’s website for the **general public** to view and see what we are about if they search for a church in our area on Facebook.

Also a St Peter’s Community Facebook page has been set up which is **closed**, so only visible to St Peter’s members who use Facebook who wish to use it to connect with each other, share social events, prayer requests (if not confidential) and encourage and love each other as we strive to grow, show and grow in Christ.
